L ife Legacy

Jason Robb Sanford, of Winslow, passed away on Sunday, May 20, 2018 at 40 years young. He was born on February, 8, 1978 in Fayetteville, Arkansas to David and Janice (Shea) Sanford. He was preceded in death by his maternal grandfather Ray Shea, and paternal grandparents Elizabeth Norman Sanford and Charles F. Sanford. Jason played on four state championship soccer teams, played baseball and football, all while he was a teenager. He also loved fishing. He was a hard worker who loved his family and his friends. He was a jack of all trades, and was able to do just about anything from automobile mechanic to carpentry and tile work. He did everything he possibly could to help those he came in contact with who were in need. He was a great dad and did everything he could to provide for his kids. He loved to play and wrestle with them all. He enjoyed talking and being with his kids and his wife and best friend, Kira. He had the best hugs and infectious smile, and he will be deeply missed. He is survived by his wife and best friend Kira Sanford of Winslow, Arkansas; his seven children Shealynn, Hailey, Carley, David, Tony, Kairi, and Kennedy; his parents David and Janice Sanford of Fayetteville, Arkansas; sister Staci Sanford of Springdale, Arkansas; twin brother Damon Sanford of Fayetteville, Arkansas; his maternal grandmother Joan Shea of Brea, California; his extended family Chuck and Emily Dwyer, and their kids; his best friends Amanda and Daniel Smith and their kids; and many other family, friends, and loved ones. A visitation will be held on Thursday, May 24, 2018 from 5:00 PM to 7:00 PM, at Moore's Chapel Funeral Home.

Jason came into me and my Sisters life through are friend Mike Riley. We were having a rough time as we all do, and then her car overheated and died. We were told her motor was blown. Mike got us in touch with Jason. On his own time, in the dark he came to the house and diagnosed her car as only needing a water pump and timing belt needed replaced. He came to the house and fixed it and that was such a God send.....just as I feel he is to all he ever met. He is the only mechanic I've let touch my car in over 20 years. I pray that somehow comfort finds the family and holds you all as tight as he held you. Dora L. Goff

I always saw Jason as a hero. He never has a problem standing up for himself and others when nobody else had the nerve to speak up. He was a loyal friend and as good of a human being as I ever met. To quote the movie Stand By Me, I never had any friends later on like the ones I had when I was twelve. Love, prayers, and comforting thoughts to all that were touched by Jason's unforgettable self.

My thoughts are with the family during this time, and I hope things get easier for you. We can only be so fortunate to have had people in our lives for the time we did. Jason was a very nice guy growing up, and I am sure that continues with his kids as well. There will always be that special place inside me from back in the day when all of us boys grew up on Mount Sequoyah! Take care Sanford family!
