I tried to find Brent and did not know he had passed. I have not seen him in 30 plus years. We worked together at Waggoner Shumate/Printing Center back in the 80s. I remember Brent as a good man. He was kind, funny, enjoyed life and will be missed. God Bless my friend. Doug Campbell

I just found out. So very sorry to hear of his passing. I knew Brent from the time he was married to Judy & I was with Pete. Brent had a wicked sense of humor back then & still had it when we became friends again in the mid 90's. The last time I saw him he was with our friend, good ol' Clifford. We drank a bit of Brents moonshine & laughed at his cleverness all night. His mastery of story telling was endearing & unmatched. The true loyalty he had for his family & friends made us all want to be in his presence. So ride on up there, my friend. Give that big smile of yours to the others we both know up there & tell the Big Guy thank you for letting us have you down here for a while 'til He needed you there. Peace bro!
