I will forever miss how mom (Ardyce's sister Marguerite) and Aunt Ardyce would be laughing so hard they were crying when they were together. She will be missed. Our deepest sympathies to you and your family, John.

Aunt Ardyce will be missed! I remember visiting her in Arkansas as a little girl from Minnesota and loved listening to her "accent." She taught us kids about things that we had never even heard of like "chiggers" in the tall grass. And in San Diego feeding lettuce to their pet turtle. It was always fun to watch my dad, her younger brother Roger, tease her and watch her roll her eyes at him. She was usually pretty quiet around large groups but I really enjoyed her last visit to Minnesota when just the two of us got to visit without interruptions about life in general. She was a great lady! John, I want to send you and your family our deepest sympathies from my family. I can only imagine what you are going through but it still makes my heart hurt.
