Missing you today and every day. I wish you were here to just talk with and laugh until we cried. Not a day goes by.

Other people that were in your life have moved on over the years, I have too. But not a single day goes by that you are not in somehow in my mind, heart or soul. You were my best friend, my sister and my soul mate from day one. I miss you every single day Weeda.....still. No one will ever know the love and understanding we shared....even in those last years, when you tried to push me away. I loved you still. With all my heart 8 years later. Love you Minerva...;~) gwen
