Hey grandfather I miss you like crazy what I wouldn't do to sit on to have one of our talks over lunch or to just hear you say "Im not going to give up on me yet buddy." Craziest thing is that you never did. Your birthday is coming up in November and the anniversary of the day you left me. As I should say I suppose visiting never felt like there was more than just me and you around you definitely were the only one ever understood me even if you didn't really understand I love you.

Oh grandfather how I miss you so I hope and pray that you are with god and that you are having a great time just dancing with my mom around around in a beautiful gown and you in a tux oh I miss you both so much. I LOVE YOU! R.I.L
