Dear Family,I just want you to know how deeply saddened Brooke and I are over the loss of Jim. He impacted me greatly over the last few years. During my days in the car business, he would constantly advise me on personal and business issues and how to handle them. I loved being around him, and enjoyed all the golf, games, meals, and talks. He was a good man, a better friend, and fierce competitor. I am glad he was always on my team! I will treasure my memories with my good buddy Jimmy Jack.Damon & Brooke McDonald
