Mamo D.B. (as I always called her) played a very large and important role in my life. Some of my best childhood memories are times that I spent with her and Papa H.O. She taught me many important lessons that I still remember and apply to my life today. She taught me that please and thank you go a long way, treating others kindly pays off in more ways than one, and with a loving heart, I can do anything. My life would truly not have been the same without her. Although I will miss her terribly, I know she is with our Lord and is happy and whole again. Mamo - Thank you, I love you and God bless you!
