He was a loving cousin with whom I had many wonderful experiences while we were growing up in Tulsa. He had a great sense of humor and many friends. I and they will miss him greatly. He was a life-long firm believer in God, and he looked forward to the afterlife, where he would meet his parents, daughter, and friends who preceded him. I hope fervently that he has been reunited with them.

I became acquainted with Tom when I was with Avis Rent A Car Reservation Center back in the 70s. Tom was in charge of the catering service we enlisted for the employees. I have fond memories of many discussions with Tom when he would visit our office in line with his professional duties. Tom always projected strong ethical, moral and spiritual qualities always standing high above the crowd. I always had great admiration for Tom and his rare qualities. Certainly, he has a special place reserved for him in our Lord's house and future eternal plans. Bill Wingo

Sara, My thoughts and prayers are with you and your family during this time of great loss. Tom was a very special person and I truly enjoyed the opportunity to get to know him. It was a privilege to have such a great acquaintance. It was so obvious that he loved you greatly and I can only hope that my relationship with my husband is as warm and loving as you two seem to be. I was honored to have the few years to "work" with him each time he came to see us here at the clinic and ALWAYS looked forward to the tight hugs that he was so good at giving!! Again please know that I am thinking of you during this time!! Love Gayla Riggins, MA Highlands Oncology Group
