Dear Web Family,I have known Tammy Nelson for 11 or 12 years now. During the course of time I have heard MANY stories of her Grandmother when Tammy was a child and all the stories as she visited each year. She had to be a wonderful woman as I know she was well loved. I am so very sorry! All of you are in my thoughts and prayers. The beauty of memories is that they live in the heart forever!Tracy Bleier

My heartfelt sympathy goes out to the family of Mrs. Webb.I used to call her on game days to remind her that the Razorbacks were playing at a certain time. . .She always knew before I called, and was ready to watch the games.I am so sorry for you all, especially Kathleen, who spent so much time with her these past years, and helped her so very much. She is a daughter who will find her star in heaven for being there for her mother.My love to you allSally

To the children of Thelma Webb I am deeply sorry for your loss. I remember the times I visited in your home. Your mom was a very special lady. She was always so thoughtful of others and was so kind. I know the pain you feel now is so intense. Just remember she is resting in the arms of Jesus. I am sure she would tell you if she could that it was worth it all and she will be waiting to see each of her children one day.Love,Nelta

I don't think there is enough that I could say about Mrs. Webb. One of the most caring and loving individuals I know. As a neighbor for over 40yrs she was like my own Grandmother. I will never forget her and Mr. Webb sitting under the BIG Sweet Gum tree in the front yard. That was a beautiful sight!The Treat family will truly miss you Mrs. Webb, we love you.
