Bettye Gail, Kathy, Carol, And Jackie, Sorry to here about Margie Helen's Death. Mom and Dad really enjoyed talking with her before she got so sick that she could not talk on the phone. She was a fun person to be around. There will certainly be a void in all of your lives, but just hold onto your memories. Keep in touch, Harold, Polly, Pat, And Junior.

Marjorie was a wonderful neighbor who looked out for others on her street with a watchful and caring nature. Our family enjoyed visiting with "Marge" at her home and playing with Brittany. She was a bright spot on this street (and the most neat). Her neighbors and friends will all miss her presence on Parkwood, the sound of her garage door opening, and the comfort of knowing that she would be on the other side, ready to wave. I'll miss her and the enthusiasm she continued to exhibit for life, even during illness. We will never forget Marge.
