I would like to thank everyone for their kindness in this difficult event. Dad was sick for a short time, by the time they found the cancer he was already stage 4. I sure do miss him!!! But I know he is no longer suffering, and is in a far better place. Again thank you, and God Bless.

To Cathy and family, When the unexpected and painful things happen in this world, to some of us, it seems so unfair, but to others it is a blessing. Let us stop and take the time to look for the good in a sad situation and to celebrate the life of your dad and grandfather. All my love to you.
