I want to pass along condolences from our family to your family. I found out about Glenn today as I called Rocky to tell her about my stepmom being in critical condition in the hospital in Kansas City. I guess Mother's illness left me kind of in a fog when this happened because the name did not register with me at the time. I know Mother's heart would be broken for you if she knew of your loss. Thanks for all the memories like the time Glen took the stitches out of Jeremy's chin. Days when the kids played out in the street without fear of evil people. When you left your doors unlocked and your heart as well. From Joe and Sharon, Tim, Pat, Aaron and Jeremy and their families.

I remember Glenn [I didn't call him Chester way back then, maybe because the teachers didn't] and Web. They were a little rowdy, but good kids. When I read of his passing this week, I could see him [and Web, too] just as clearly as if it was yesterday, with his easy smile and mischievous grin. I am so sorry for your loss, and for his untimely passing.

Hi Connie, I am so very sorry to hear about Chester. My sister called and told me. I will always remember Chester as a good friend. Even in the wild days, he was always faithful. I remember several times when he would dance Kristal to sleep when she was a toddler. He always had a sweet and kind spirit. I will always remember you Bro. Connie you and your family are in our prayers. My Bible says, TO BE ABSENT FROM THE BODY IS TO BE IN THE PRESENCE OF GOD. Allen
