Steve and I graduated from FHS in 1969. We were in the Air Force ROTC program there. He was a nice person to be around. Never will forget that 1969 blue Plymouth Roadrunner that he had. My deepest sympathy to his family. I am saddened by the loss of another one of my classmates. Great memories.

We worked together with Jack Butt and Carey Buckley for the Washington County shop "back in the day" building bridges while trying to get through high school.Jennie and the rest of the family have my sympathies in this time of loss. Steve will be missed by his sister and the rest of the family as well as his friends.
