My husband Jim and I express our deepest sympathy. We last saw Jackie at our school reunion 2000 and regret to hear of his passing. I have fond memories of him from high school, and my husband and I both always had a special love for his parents Mark and Margaret Lumpkin.

I'd like to express my sympathy for your loss. I know that after his reunion with Beth, the heavens will be filled with laughter. Jack always gave me reason to smile and laugh. He made my move to Springdale much easier by making the days a joy to come to work. After he retired he always knew there would be a hug waiting for him when I'd see him. I always greeted him by saying there's my sweet smelling man because of the Paul Sebastian cologne he wears. He got quite a riot out of knowing that because of him it was the first cologne I would give all 4 of my boys and keep my husband in stock. There are many people you meet in this life, Jack will always be at the top of my special list. Ida Mae Petty

Pam and Family, Jackie was a very good friend to me. he was a very special person and was my first love and even tho, we didn't see each other for many years after high school, he was never forgotten and he was and will always be my best friend. I found him on the internet a few years ago and we e-mailed and talked on the phone often. I will never forget him and I am so glad that I had the privilage of knowing him in high school and again when we found each other. Good friends should always keep in touch...sometimes it is hard when we live so far apart...I will always love him and will always remember him as my friend.
