my little brother, my wish for you is that you would still be here, but I know that you are finally at peace and happy. You were the best brother, and I miss you terribly. I know in my heart that you are in a better place and are giggling your silly little laugh, I will forever hear it and will always miss your smiling face. i sure hope I told you that I loved you the last time we spoke, and I hope you know how much I loved you. My yard will never be as pretty as I know you would of made it for me. make beautiful roses in heaven, I'll be looking for them one day, and when I find them I know I will of found you... I Love you, I don't understand, but some things in life aren't meant to be... I just know that you are at peace, I find comfort in that... I miss you little brother, as do your nieces and nephews.... rest high on that mountain, I'll be seeing you.....I Love you,JenniferPS... thanks for being all that you were and all that you are, you will forever be in my heart..
