I met Curley at Danaher. I would talk to him all the time on my breaks. Harold would come in the break rooms and Curley would say something about him and I would say yeah I think hes cute not knowing that, THAT was Curley's son and he just let me go on and on. Then one day I found out. It was really funny. Curley just laughed. I have never seen that man laugh that much. Curley was an **AWESOME** man. He was funny, kind hearted, and knew alot. He was always there to listen to you and to always give you advise about anything. He loved his wife, kids and grandkids. Austin misses his Paw Paw very much. He is truely missed alot. There is an emptiness around the family. I loved him very much even if I wasn't around him alot. He always made me feel welcome no matter what. He will always be in our hearts. We love you dad and miss you and untill we meet again. I love you Paw Paw. Love Austin. God Bless

Curley and I worked together at the Rodeo of the Ozarks for many years. I missed him this year and many people asked about him. He was a great person that I felt honored to have known. He will be greatly missed.
