Rebecca and Gurney, I am so truly sorry to hear about Ethan. He and your family have meant a great deal to me since I first began working with him. Ethan always brought a smile to my face and was a bright spot in my day, even on the toughest of days. Those bright eyes and huge smile just melted my heart. He will forever hold a very special place in my heart. At this overwhelmingly sad time, I hope that you and your family can find some peace in knowing that there is a new angel in Heaven to watch over us all. If there is ever anything that I can do, please do not hesitate to call. You all are in my thoughts and prayers. May God grant you peace. Love, Kimber

I am truly sorry to hear about Ethan. My thoughts and prayers are with you and your family. Ethan was a special little boy who I always enjoyed working with even on days he didn't particularly care for me to be there. I will always think of him whenever I see Dora or Diego as those were his favorite things to watch when we were doing our physical therapy. His big smile and bright blue eyes are unforgettable, like a little angel.

Even though I never met Ethan, I felt that I knew him through his grandmother Beverly. I kept a picture of hm on my office wall as a reminder to pray for him daily. I know he was a blessing to his family during his brief stay here on earth, and I continue to pray that God will surround the family with His love and peace during this difficult time.
