Dalene, I just wanted to let you know what your mom meant to me and my family. She was a wonderful teacher and person who was greatly respected. Ms. Randall was my 5th grade teacher and my boys (Clint and Cody) had her for several years in GT. She always had a way of making my boys feel like they were very special to her. Her life had a great impact on many people and she was truly a blessing to our family.

Dalene, I can't tell you how much your mother will be missed by all who knew her. She will always have a special place in our hearts. She not only taught both my boys, but I learned so much from her as their teacher. We traveled so much with her over the years with Ty in OM and FPS, it never fails that we remember her when we are on vacation, hop an airplane or a school bus. We always had to stop and visit her when she worked at Withrow Park too, and can't drive through there without thinking of Mrs. Randall. She was a wonderful person, we are so proud she was a part of our lives. Our thoughts and prayers are with you and your family. Jeff, Robin, Ty & Ryan Watson

Dalene, Tim, and children, I'd see your mom occasionally around town and she always treated me as though she remembered everything about me. The truth be known, she probably had no idea which former student was approaching her, but she never let on. Her love for you was shown in everything she did....I admire that the most in her. My thoughts and prayers are with you all during this difficult time. Love, Kelly (Hudgins) Powell

There aren't enough words to adequately express what a wonderful woman Helen was. A person of few words, she said more by her example than anything else. Her countless hours of service to others, with nothing expected in return, has had a profound affect on me. When I was sick 4 years ago, Helen sat by my side on many occasions in the hospital and at home. I love her dearly and will be forever grateful for raising such a wonderful daughter who is now a part of our family.

I don't know of another person that I had any more respect for than your Mom; she was truly one of the most selfless, intelligent and gentle people I have ever known. We are so sorry that we can not be with you during this very difficult time, just know that we are right beside you in thoughts and prayers. Take care of yourselves, Evan and that wonderful new Julie! All our love and sympathy, Corrine and Bill
