I will always remember Jean as a caring and loving friend that acted, in thoughts as well as deeds, as if she were everyone's mother. There will always be a special place in my heart for her and it will be comforting to know that she will be reunited with the love of her life, Ralph.

We will miss you so much I don't think Words can describe it. You were so supportive of me during a difficult time in my life and I can't help but tell you that you were one of my favorites. I always loved you and the little talks you would always have with me. Always making me feel just like part of the family and so much love from you. I can never thank you enough or show you the impact you truly had on my life. The only thing we celebrate now is the reunion you are having with Ralph now. We love you so very much and you will be missed terribly. I feel so fortunate to have had the chance to have you as my grandma and part of your family. I love you so very much Lyndsey and Ethan Jones
