I spent two years at the Mclroy Bank Mall Branch sitting next to the most wonderful woman in the world. She made each and every day I spent working there a pleasure. I've never met another person like Vee. She was definitely one of a kind. I'm sorry I didn't stay in touch with her through the years. She is often in my thoughts and those thoughts always bring a smile to my face. I loved her dearly.

I don't know if anyone will read this so many years after her passing but I had to say hello to her loved ones. For some reason I woke up this morning remembering my time at Community Bank in Warr Acres in the early 70's. Googled Vee's name and I was sad to see this obituary come up. Vee was an absolute joy to be around. At the bank there was Vee, me, Virginia Baker, Billy Orf, Myrna McClellan and Maxine Sproat at the teller line. About two hours in to my first conversation with Vee I discovered she and her ex husband used to own a grocery store in my home town of Pryor Oklahoma! Love ya "Hon"!
