I am so sorry to hear of the passing of Sharon. I had known her from High School in Chelsea. One of our classmates was in the office where I work today and told me. I was just totally shocked. I remember Sharon as a very happy person always a friend to everyone and always willing to listen to any problem you might have. She was truly loved by everyone. Betty Elam Mitchell

I remember her as Sharon Kuykendall, "Big sister" to Kirk Kuykendall. I went to Chelsea High School with both of them. Sharon was a very pretty girl. Very nice person. I was very close to her brother Kirk. I think of him often. I will miss them both and I very much look forward to seeing them again. Sharon was the perfect sister anyone could ever ask for. When Sharon, Susie and I were together, there wasn't a moment that we were not laughing and sometimes we didn't even know why, just stupid stuff would set us off. A beautiful relationship that only God could have developed. Not only with her blood sisters but also with her friend-sisters, and anyone else privileged enough to have experienced the joy around her. I truly experienced seeing the face of God through her heart. Big Sis I love you, I'll miss you, and can't wait to see you on the other side. Little Sis

Sharon was a beautiful person, with her inward beauty even outshining her great outward beauty. Sharon's many friends considered her among their best friends because of her warm and caring nature and her ability to make each of us feel valued by her. She deserved her nickname: Sunshine. I looked forward to going to work each day, seeing her smiling face and hearing her kind words. Sharon loved us all. She loved her family, her pets, her friends, and the Lord with a fierce and protective passion. She remembered all of our birthdays and anniversaries. She celebrated our triumphs and comforted us in our losses. I will miss her quick wit, her fun nature, and her big laugh. My deepest sympathy goes to you, Sharon's family. I pray for your comfort in this time of loss.
