**Marion Orton (Old Friend)** posted:

Nancy and I met in the hospital when our two baby boys were born. In those days new mothers stayed in the hospital for a week. When home I met her husband and took her to church. Rev. John Knox gave her a job as secretary at the church where she worked for many years. Laura was born. Nancy was a loving mother who raised her two children by herself. I admire her and her devotion to her children and to her church and to her God.
