Teresa,My thoughts are with you. We prayed together for our dads and for each otherduring our time in 4W together. As I face an unknown future with my father I lift you and your family up and ask Father God to strengthen comfort and uphold you through this difficult time. I know you have special memories of your dad in better days. "God gives us memories so we can have roses in winter." I am praying He will shower you with dozens of "roses" in the days to come give you peace.In His Love,Renee' Bradshaw
