Yes I loved him! I loved him very much and I am quite sure that he never knew it. I could have made the last 8 months of his life different and now I pray to God that I would have. To his family, loved ones and friends... I am soooooo very sorry. I know God forgives me, and I pray that one day you all will too. I loved you Wayne and I am so very sorry that you never knew it!

I will always have lots of very fond memories of Wayne growing up when he would come to visit his step-sister Susan and family in Bentonville. Many years have passed since I last saw Wayne, but through the years and still today, I can vividly recall like it was yesterday the sparkle in his eyes, his laughter and his love for each one of you. Wayne truly adored all of you! These special qualities will continue to live on in my memory of him and bless me personally. I am grateful and fortunate to have known him. Ken, Jeanne, Lori, Susan and David: Words are inadequate to express my sympathy for your great loss. I am lifting you up in my thoughts and prayers daily. Love, Terry

I will always have very fond memories of Wayne, who was my best friend Susan's stepbrother. I knew Wayne growing up when he would come to visit his family in Bentonville. I had not seen him in many years, but will always remember lots of fun times together and lot of laughs when we all got together. He will be missed. Ken, Jeanne, Lori, Susan and David, you are all in my thoughts and prayers! Love, Jan

My oldest memory of Wayne was when we were both about ten playing flag football in the back yard at my mom and Ken's house in Bentonville. Wayne and I were on a team paying against Lori and David, and (despite my pouting) Wayne wouldn't let me be quaterback. That was so like him to always do his own thing. I always smile when I think of that football game. I'll always remember his laugh, that twinkle in his eye, and how much he loved us. I am blessed to have had Wayne as my brother.

Wayne ... when I think of him I see the child that was full of life and a smile! He, David and my son Jeremy sent hours together playing "boy" games. This is how I will remember him always. We are so sorry for your great loss and pray that the Lord will grant all of you strength and peace during this time. Please if there is anyway we can help, call us. Friends always, Cathy & Terry
