My thoughts and prayers go out to Barbara's family in this time of your great loss.I will hold many fond memories of Barbara. She was a good friend and a strong support for me when we worked together at Sunrise Manor.I will remember her warm and loving personality and her wish to always do her very best in caring for other people.And I remember how very much she loved her children. Their well-being and their happiness was the most important thing in the world to her. I though she was a wonderful mother!I know how hard it is to lose your mother and my heart goes out to you all.charlie
