We were very saddened to hear of Paul's passing. We go back a long, long way with many great memories and "discussions". Our memories of Clemmons UMC, Clemmons Community Chorus, raising kids, etc. come to mind. Patti, Chuck, Jacque and Joe all send their sympathy and prayers to each of you. You will always be close in our hearts. Please keep in touch. Love Jack, Peggy & Family

We will both miss Paul. We were truly blessed to have your both as great friends . I was at the Seaford golf club yesterday and reminded many of his old friends of Paul. They all spoke of the good times we had and wished you to know of their sorrow.

What wonderful memories I have of the days when we were the North Shore bunch! I can recall so many times that all the families got together and enjoyed each others company. When you are a child, you do not realize the importance of parents' friendships. As you develop your own friendships, you reflect on what was taught to you! Thank you for being a part of that. Our thoughts and prayers are with all of you! Much Love! Terry Kimbrough Fibelkorn

Mrs. Prudhomme, My thoughts and prayers are with you at this time. It was such a privelege for me to work for Mr. Prudhomme, he was a great man in my book. I loved working for Paul and missed him so much after he retired. The days he returned to visit Butterball were the highlights of the week. He worked so hard to take care of his employees, I hope he realized how much he was appreciated. His legacy will live on in Madison County because of his work to get the daycare center here. Many families, not just Butterball employees, have greatly benefited from this facility. My memories of Butterball when Mr. Prudhomme was at the helm are the best times. He loved you and your boys so much and I know your memories are great and will help you through the sad times ahead. Paul was loved by everyone that worked for him and he will be missed very much. Love, Robin
