Deb, Glenda, Cindy, and Marc, we are so sorry for your loss. Even though we haven't stayed in touch with each other I have often thought about you all. I'll never forget Berneice's distinctive laughter and the sparkle that glinted from her eyes when she laughed so hard she cried. It's what I remember most about her. Keep those happy memories alive in your hearts.

We loved your mother very much and your entire family. Time spent at your home was always a treat. I can still hear your mother laugh, hear her voice, and just wish I could talk to her again. She had a generous heart and a loving spirit. I know you wanted money to go to a memorial, but I couldn't stand the thought of her without flowers because she loved beautiful things. She always made your home attractive and she made sure it felt like 'home'. We will miss her very much even though we haven't seen her for years. We tried to find her because we cared for her as we have tried to find all of you. You are all in our hearts. Love, Uncle Don and Aunt Mary

Berneice (she seldom corrected me on my spelling) Berneice, was a wonderful resident, neighbor and friend here at Mira Vista. We hated to see her move yet understood her feelings of necessity. Everyone who knew her can relate to the wonderful laugh she had and how she could go on & on about everything and nothing at the same time. She would really brighten my day!!! I have the utmost confidence she will brighten days again in the future without any ailments to slow her down when she hears Christ's voice and returns in the resurrection. (John 5:28 & 29, Isaiah 33:24) Until then, now is the time we grieve with you and ask you please accept our condolences for your temporary loss. (Ecc 3:4)

I knew you best through Cindy; she was my friend and became my sister. I still see the smile on your radiant face, the twinkle in your eyes; it is what made the best mom possible for your children, especially Cindy. Cindy, it is not ever easy to loose the one person who knows you best in all things. We pray you find comfort in knowing that she is healed by God's hand. Love, Celia and Danny
