Anna Pike (Daughter-In-Law) posted:

Dear Carla, Dylan, and Cassidy, Our thoughts and prayers are with you. We wish we could be there; and if there is anything we can do, don't hesitate to call. We will deeply miss him. He was so full of life. Although we knew each other for only a few short years, he had this presence about him that made you feel like you had known him a lifetime. I will miss our telephone conversations nearly every week. He was the only other one who could make me understand David, and I probably understand him better than most. It was like I was seeing David in the future sometimes. All of our love and please keep in touch. Love, Anna
