Thel was a special person to me who was always cheerful, upbeat and happy. I still carry a picture of her from 1976. I always wondered what happened to her after I left McDonalds.

It's been years since I have seen Thelma, but I remember growing up with Thelma, her brothers, and Jean, and how they were such a close family, I will always remember her bubbly smile, and sweet attitude toward life. She was a friend to everyone. Throughout this difficult time, may God's love guide you during this time of sorrow, and may you also know the deepest sympathy and concern that are felt for you and all your family.
