Kelly, and Family, we want you to know how much we enjoyed talking and visiting with you and Terry. It was always a pleasure to have you in our home. You, both, were hard workers, but we liked it the most when we were able to share family stories while you were in our home. We will miss Terry, but we thank you for your friendship, and pray that the Lord will bless, comfort, and give you peace now and in the future. Your friends, Al & Gency Jackson.
