Dear Bruce, Ryan, and Eric I am so deeply sorry for your loss. Far more than words can express. I enjoyed the opportunities to visit you all several times over the years - since Ryan was just a little guy. Any time I visited with Laurie, Sandy made a special effort to make me feel welcome. She struck me as a lovely person. Her conversation invariably included care and concern for her family. I am grateful that I had the opportunity to meet her and to know your family even a little. My thoughts and care are with you. Cecil

Dear Bruce, Eric and Ryan, Please accept my sincerest sympathy on the death of your wife and mom. I hadn't visited with her much since I quit Bunko a few years ago, but I always thought she was so very special. She was easy to talk to and I always appreciated her views on things. I know she loved you guys with all her heart. My thoughts are with you. Barb Putman
