I'm sorry that I didn't know about Betty Lou's passing until last night when I received an email from our cousin Sandra. I extend my heartfelt sympathy to Betty Lou's family. Having just lost my mother (Betty Lou's aunt Maxine) last month, I empathize with your sorrow. I moved with my family from Tahlequah when I was 11 years old and did not know Betty Lou well because I didn't have contact with her through the years, but I remember that she was astonishingly beautiful. Betty Lou was very kind to me at our Grandmother's funeral, which was the last time I saw her. I don't have anyone's addresses, so please accept this as my expression of sympathy for your loss. Love 'n Healing Blessings, Kaye

Hello, Betty Lou was my first cousin. Her mother, Lena, and my mother, Pansy were sisters. Please tell Betty Lou's sisters that I wrote. I am Pansy's youngest daughter, but Betty Lou's sisters should know my older sisters: Christine, Dalphine, and Jeanie. I can remember seeing photos of Betty Lou that my mom had. She was a beautiful lady. My sympathy goes out to the family. My daughter, Lana Flowers, is an editor and reporter for the Northwest Arkansas Morning News. She and her family live in Rogers. I found Betty Lou's obit on that paper's website. Sandra Hutchins

She was a great lady to work with at the store and I will miss her. When I saw her sisters in the store shopping I always asked how Betty was doing and learn what she was doing in her life. She loved her husband and kids and talked about them while we worked the long hours at the store. My prayers goes out to her family and children.

I recently had the pleasure of getting to know Betty better. I asked her if she would be our "Agent Highlight" in our weekly meeting and tell about herself. She modestly started to decline, but I convinced her to please do a short presentation. We were so blessed that she decided to do it. She "winged" it, no notes, and told us about her past careers and also some advice for our new real estate agents. She really touched my heart. So sweet, so caring. She will be so missed on our team. May you find peace at this difficult time with all of your wonderful memories of Betty.

I first got to know Betty while working with her and Liz at Sunset Realty back in 1978.Betty was a tireless worker back then and has never slowed down.Tommy,her husband ,would come in late in the afternoon,smoking his pipe,and ready to bring Betty for a refreshment and dinner.I vividly remember her telling him she was tired and would rather go home.....Tommy most always won.I was the young turk around the office back then and Betty was always available to answer questions and tell me about the great new listing she saw that day,one she thought would be perfect for my customer.She was often right! She included Mary Ann in myself in social gatherings they had at their house when they lived out on the lake.It was thru her that I met numerous lasting friends.For the last several years I have had the privilege to work with Betty here at Griffin and what a delight it has been.Her desk was close to the back door so i was treated to her smile and kind words as I was comming and going on a regular basis.We would often stop and trade stories about grandkids.She always had some wise words.I can tell you too that Betty's customers loved her and would not deal with any one else.I don't blame them.....she made them feel like they were the only customer on earth.To Betty's girls and their families I send my condolences and prayers.We will all miss her.
