Dear Amber, Clint, Michele, Billie, Sarita, and Rebecca, I am so sorry for your loss. You are in my thoughts and prayers. It really hit me hard when my mother told me about Bobbi. It was wonderful to see the lovely pictures of Bobbi on this web site. I haven't seen her since high school, but I would have recognized her easily! You did a lovely job depicting her life and special moments with family. Amber, Clint, and Michele - Your mother was a very special girl. She was a close friend of mine in the Ontario church. I admired her in so many ways. She had such energy! She was friendly, popular, and so nice to everyone. One picture brought back many memories. I liked watching her cheer on the cheerleading squad. Even though she moved away and went on to college and married, had children, we kept in touch through friends at my mom's church in Ontario. One time, I received a lovely letter from her. She sounded so happy. I wanted you to know how much I liked your mom. She was a great friend that I will always remember. Sincerely, Kathy Boyd

To the Bolton and McClure Families, I am so sorry for yet another loss in your family. I haven't seen Bobbie in years but she was such a fun mom when we would visit Dallas and I'd come over to play with Michelle. I remember her pretty eyes and her Texas style. Please know that you are in our prayers during such a sorrowful time.

Our family knows Michelle because we are a part of the same church family at North St. Michelle taught our daughter Bailey this past year in the preschool department. Bailey just loves her, and her "yellow" hair. So although we never met Bobbi, we know that she has a beautiful daughter who is no doubt a reflection of her mother and the way she was raised. We send our deepest sympathies and our prayers to the loving Father on your family's behalf. The Scott Karnes Family
