When I would arrive to work each morning, I would park in the back lot where Ena could see me from her window. She would always smile and wave at me. I thought "wow, what a super way to start your day". Ena was a wonderful woman and I am happy to have met such a wish lady. She will forever be in my thoughts.

Naomi, we are truly sorry for your loss. Your loss will be Heaven's gain. We thought a lot of your mother, she was a very dear lady. She always had a warm hand shake and a big smile for everyone. Your mother encouraged me a lot of times when I needed it. Again, we are sorry for your loss. Our prayers go out to you and your family at this time.
