Margaret, Marshal and Dalana--Our prayers have been with you. I know you will truly miss Moody but "if you could see him now", I'm sure there was a lot of singing and hugging by all those Blaylocks that have gone before. Can't help but smile when you think about that reunion that took place. Dalana, I know as a daughter, you never quit missing Dad and needing him but God is faithful. Please convey our sympathies to Kay as well as I know she loved her brother deeply and will truly miss him. Ann & Rick

No matter what vehicle I had to work on, Moody always gave helpful advice. He never looked down on me as a woman for working on my own car or truck. I depended on Moody and Margaret to tell me what I needed to know. Thank you for all the years.
