We are very sad for your loss. Clyde was such a great person and family man. He always had a smile and a great attitude and would always take the time to stop and chat if you saw him. He loved his family and his work and would always express that. We know that he will be greatly missed and are very glad that we had a chance to know such a wonderful person!

Mac was the first person that I met when I began looking at buying a home in the neighborhood. He was the ultimate neighbor....so friendly and willing to lend a hand. He always had kind words and an attitude that was cheering to others. I will miss seeing him working on his flowers and lawn, but most of all I will miss the friendship that he offered so freely.

Clyde was a wonderful person, always had a smile, always friendly. I never heard a complaint or a harsh word from him. He once asked me if I had a couple extra letters from the drivers meeting that he could take to his daughter for her drivers so from then of I always tried to have a couple extra for him. I'll sure miss seeing his smiling face at the monthly drivers meetings.

Dear Joe&Cheryl, I am so sorry to here about Mac. He was my first friend out of the family I met and wihout out him I wouldnt have met a more wonderful family. I have known him 3 years and he brighten my day when he came in to get a hair cut. Everytime he came in he was always telling me a story about someone in the family. He came in once and told me he has a beautiful wife and didnt stop talking about her until he left. He loved to tell me about his trips with his son. He kept telling me about his daughter. He told me he wanted me to meet cheryl and a year later I did. Then I met becky. I feel almost apart of your family because you all make me feel that way. Your loss hurts me deeply more than you know. If you need anything let me know. I will miss Mac so much. your friend with love Tracy davis
