Charlotte, Having walked in these shoes, I just want you to know that I have thought about you and Hugh so much in the past couple of years! Glenn always enjoyed talking with Hugh in the times we met at card parties, etc. I am so glad that Hugh doesn't have to suffer anymore, but I know you will miss him. God bless you and your family and please know that others care about you.

Ramona and I want to express our sympathy in your loss. We are so sorry that we will be unable to attend Hugh's service. I am recovering from an accident and am unable to travel. Hugh was a special person as I am sure all the family knows so well. We always felt very welcome at his home. I remember giving my little sister away to Hugh on their wedding day. You were both very special to me. We will all miss Hugh very much. Charlotte, we love you. Garlon

I have thought alot these past few days about Hugh and the funny things he did when we were younger and I couldn't help but laugh and cry at the same time. What a great guy and could pull some of the funniest things. You will miss him so very much but I tell you it is so funny because if you listen close you will hear him, I hear mom all the time.
