Although I never met Mona, I did get to know her, just a little, from the great stories her granddaughter would tell me about her and her family...from those, I know, she'll be greatly missed.

Although we didn't know Mona personally, through her children, we felt like we did. They would relate things that told us the character, love and strength in such a small body. Our deepest sympathy to the family. The Schaefflers

From all the McFerran's here in N Ireland, we deeply regret the passing of Aunt Mona - I personally only met her once but she was a lovely old lady then with so much get up and go and we used to talk about the classes she would take in further education. She always seemed to be doing something. From all her family in Ireland, Joan, Margaret, Jackie and Ken and their families. With deepest sympathy to Pat and all the family.

Mona was a very sweet lady that will be missed by all who knew her and loved her. I loved her sweet Irish accent! Mona was a very good person and had nothing bad to say about anyone. The world was a better place with Mona Sebastian in it.
