Jann and Amanda -- We were so saddened when we heard of Susan's passing. We knew she was sick, but always knew she would conquer it. She has, but in a different way. Tim and I will always treasure some special memories of Susan and you both. For Kathleen, it was the best two years team teaching Pre-K at HH Elementary. We always had fun with the kids, shared the work and were able to laugh at the little bumps in the day; like the days when Colton from the tattoo parlor would try to communicate with the other end of the school at the top of his lungs for hours on end. Afterward, especially when Jann and Tim were TDY in Korea, there were those escape dinners with John and Amanda at O'Phelan's. We hope these and other memories of such a special person help you both commemorate Susan's rewarding life, one that lacked only the fullness of time. God bless you both, Kathleen and Tim

I first met Susan in our gift shop. What I noticed was her smile and her spirit of kindness. I remember saying to her, "who are you ? You seem like such a nice person !" Of course, she smiled and the mutual admiration began from there. She later joined our party planning committee for the Hospital. When she was feeling up to it, she'd be there with her smile on !!!'ll miss her smile. God bless you

Susan was a wonderful person. I enjoyed working with her as a person. She was kind, friendly, and fun. As her Principal, I was always thankful for wonderful, caring, and dedicated teachers like Susan. My husband saw her more than I did after she retired from teaching to devote more time to her health, and he always enjoyed seeing her friendly face and smile at the hospital and gift shop. Just know, God is able to help us through all this hardship. It will be hard, you will miss her, but she is in perfect health now waiting for us to come home. May God give you the strength to continue, and to bask in the memories she so richly provided. Keep those alive. Sincerely, Your friends, Ed and Gladys Swindle
