We've known Maggie for 22 years and she has always been so dear and kind to everyone. She's never uttered an unkind word about anyone. She has a huge heart which she used to embrace her family and friends and all those troubled children in her special ed. classrooms. Maybe that's why her heart was tired. She used it all the time for others. We will miss her.

GODS GARDEN-God looked around his garden and he saw an empty place, He then looked down upon this earth and saw your tired face, He put his arms around you and lifted you to rest, Gods garden must be beautiful!!! He always takes the best. He knew that you were suffering, he knew you were in pain, he knew that you would never be well on earth again. He saw the road was getting rough and the hills were hard to climb, He closed your weary eyelids and whispered "Peace be thine". It broke our hearts to lose you but you did not go alone, for part of us went with you, the day God called you home. I love you Mom and I will see you again one day.
