My memories of having three wonderful boy cousins happened during our week at Granny's house in the summertime while growing up. My sisters & I enjoyed getting to spend a few afternoons playing together. Robert was so sweet to us when we spent a day at his house in the last few years. We loved hearing his memories of our grandparents. I am so thankful to see what a fine man he was. I saved lots of his wonderful email. And also have many of his great recipe collections. Marilyn was so good to him, and I am thankful that Robert had such a friend - as well as dear wife.
