Momma- I love you so much and I always will. It was a great honor to share in such a special life that you had and I am grateful to the Lord for it all. He's able to take care of you now where there is nothing but joy and peace to be had. You can watch over us all like you always wanted too, but never could. Remember to ask Him if you can be my guardian angel:) I miss you but I will see you again....until then, keep shining up there as you did down here. My love always Momma, Heather

My Dear Melissa: How proud Linda truly was of you and your life. It is hard to see when the sun doesn't shine, but you were an apple in her eyes. I am so proud of the courage and responsibility you have taken on. Your mom would be too. Your family is truly blessed to have you as am I. I know some hard times are yet to come, but you will enure them as you have everything you have ever done. Always know that when the rose is in bloom, it is your mom smiling face looking at you all saying how great her family truly is...You know I am there for you always.... I love you!!!Susan
