Aunt Erma, I will miss our little calls to stay in touch and let you know how mom is doing. My greatest memories of you are all the summers that Grandma Johnson and I came to California and stayed with you. And all of the 50 cent pieces that Uncle Fritz gave me so we walk up to the corner store. We had such a good time. You spoiled me always. As always, I will take care of mom (your little sister) like you asked and give her the hugs and kisses just from you. I will miss you and love you always, Niicy

It has been too long since I have seen my Grandma, but I have always cherished the memories we have shared together. I have so many. Holidays and family gatherings. Walking to her house after school. So many pictures in my mind of her...the things that made her so special to me. Her laugh. Her good nature and kindness. Her good cooking (especially the chili). Her unexpected phone calls just to talk to me. I wish I could have seen her just once more...visited with her just one more day. God knows. God knows I love my Grandma. God knows how much I will miss her. Dale and Mary, Bobby and Audrey, and to your families too, thanks for taking such good care of her. I know she was happy there with you all so close. God bless you.

Grandma, You were the best! Growing up with you as a Grandma are in my fondest memories, from helping make fried chicken and macaroni salad (which is why you called me "Macaroni") and peanut brittle to teasing Grandpa...I practically lived at your house...I miss your laugh and smile and how you called everyone "Turdbirds" Your great grandson Colton says " I am sorry I never got to know you, I love you!" Anybody that knew you, loved you, especially me! You will always be my Grandma! I will always remember you in my heart fondly, and may God bless you. Love Micky "Macaroni" and Colton.
