Crystal Smith Parker Landers (Sort Of Relation On Paul Smiths Behalf) posted:

I didn't know aunt Christine much except I know she raised me when I was a baby, I know she loved me and my dad Paul very much, I've thought about her over the years but haven't seen her since I was a teenager when my dad took me for a visit. But she's always been in my thoughts and prayers and she is missed by not just me but by many others. God bless.
