Ruthie we had a big experience moving, but best of all I had the pleasure of being related to you. I will never forget the time I moved the sugar and you had flour in our coffee in the morning. I love you RuthieBeth

My great grandmother had tremendous strength to thrive in life she lived. I admire her strength and am at peace that she can now rest. 102 years is a lot of life to experience, and Ruth seemed to do her best making lemonade out of lemons. I have been told wonderful stories about her life during the Depression and will value them always.

Ruthie loved the lord with all her heart. I will miss those wonderful shopping experiences we used to share and know she will be selecting things for others in heaven. She was unique.

Some of the happiest memories of my life were the times spent with Ruthie. She was a great treasure in my life since my own mother (Ruthie's sister) died at such an early age.

We are all so blessed to have had you Grandma. You lived a full and long life but we celebrate that you have now gone home. I am so thankful that Jason and Brandon were able to know and love you. You made my boys better people because you were in their lives.

Ruthie was a wonderful grandmother to me. Even though she lived in Maryland and I grew up in California she always made me feel loved and thought of. I was so glad when she moved to Ark so Mother could take care of her. I got to know her even better then. I will miss you Ruthie, but I know you were ready to meet the Lord.
