Robbie and Michael- Just want to tell you boys how very sorry we are for the loss of your mother. Over the years you boys were here at our house or Michael was at yours. We were like an extended family. Rhonda was so very sweet to Sydney as well. We can't begin to understand why she is gone. May God bless and comfort you Love The Medina's

I'll miss you old friend. It's been many years since we last talked and I'm sorry we did not keep in touch. I'll always remember the fun times we had as teenagers and the short time you spent in Houston with your Dad. Lilly, Terry I don't know if you remember me or not but Rhonda, Jane, Sue and me were all friends back in Jr. High and spent a lot of time together there in the trailer park. We babysat together and spent the night at each others homes. I will miss her and I am so sorry for your loss. You both will be in my prayers.

I'm saddened and shocked by this tragedy. My heart grieves with Lilly and Terry for the loss of a daughter and a sister. I pray that God will comfort both of you for your loss. As for Rhonda's sons, I've never met you but my sympathies go out to you. I hope that God will comfort both of you as well.

We just heard and do not know what happened. We are very sorry for the loss. There has been so much that has gone wrong in the last few years in the family and it has caused such distance that we do not understand or know much. Just know that we do think of everyone often and are truly sorry. With loving thoughts. Take care and take care of each other.
