I miss my grandfather. He hasn't felt well for a long time. But now he is in a better place. It brings to mind that grandfathers are somebody's Dad. We all need to make sure we appreciate the time we spend with our Dads. Grandpa, I will always remember the times we spent together. Love you. I'm so glad you are in a better place. Darrin

Memories of my Grandpa are many. He loved to fish in the favorite fishing spot down behind his home place. Many nights you could find him with his dogs heading out for the coon woods. He hunted squirrels and coons. He loved Dr. Pepper and Bugles. He gave my brother and I half dollars for our birthdays. Sunday afternoons we would go to Piggly Wiggly's and go to the deli and get lunch. He took my brother and I down to the train station on Dickson and showed us the trains. Overalls were his friends. He had a cap on his head all the time, except for Sunday. I loved my grandpa and know he is with my Grandma and Aunt Betty. Fly high Grandpa...:)

Grandpa was the best. I remember his coondogs and hunting coons. I remember him mowing my mom's yard as a kid and spending the night at his house and being scared that I would get lost. Love always grandpa, Tony, Michelle and Hunter Embrey

For Marsha and Darrin: We are so fortunate to have our grandparents with us for so long but that doesn't make our hearts ache less or dry the tears. I had the pleasure of seeing your grandfather at the nursing home while visiting my grandmother. I just want you to know that if I can't be there Monday that you are in my heart and my prayers are with you! I love you both!

Billy, Rosie, Marsha, Darrin, my heart goes out to you. I know this isn't an easy time for you and I want you to know that am thinking of you all. Of the memories I have of Uncle Bill, the two that stand out most are his overalls and his smile. I don't think I ever saw him that he wasn't smiling. I can understand why he liked to go down behind the old home place and fish, it's such a quiet and peaceful place, I like to go there often myself and sometimes just think. I know you hurt for your loss, but as the song says, "Weep not for the memories". You clearly have great memories, those photos show it all. Our loved ones live on in our memories. My love to you all.Craig
