We were out of town for Thanksgiving (in San Antonio) and were so sad to come home and read the paper and find out that your precious mother had passed away. Please know we are sending our love, hugs, thoughts and prayers your way.

We arrived home today from Indiana and read of Lola's passing. Although we haven't seen her for some time, we still thought of her. The last time we saw her was at the Farmer's Market on the Square, and we have a long chat. To Dale and family, you are in our prayers.

We will all miss Lola. I enjoyed talking and helping Lola pick out her bananas and helping her out to the taxi as she shopped at the Neighborhood Market where I work. Just a bit over a week ago she came in and we talked for about 30-mins outside in the warm sun as we waited for the taxi, she told me a neat story about her old cadillac that she used to have. I will always remember her stories. Lola was such a sweet person and real nice. She was very smart also. I am so sorry to hear of the loss. I will miss seeing her.
