Tillie was a truly remarkable person! Her love of life and fabulous attitude has been an encouragement as well as an inspiration to me. She had so much wisdom and experience. I respected her advice and admired her wit in the style in which she gave it. She was an essential ingredient to Mountain View's warmth, and we've never been quite the same without her and her sister Valera. She was so truly proud of her family and my thoughts and prayers are with you.

I just met Mrs. Underwood one time, when she came out to the Ozark Natural Science Center shortly after she moved to Butterfield Village. She made an instant lasting impression because she was so alert and had such a positive attitude and happy, outgoing personality. I have thought of her many times since that day and regret that I did not visit her again. What a blessing it must have been to have her for a mother, grandmother, aunt, or friend!

Tillie was my dear 3N west corridor neighbor here at BTV. She had many friends here and will long be fondly remembered. In her earlier days here she was a familiar sight on her daily walks around the grounds often wearing her red jogging suit. If the BTV bus went out, Tillie made it a point to join the outing enjoying every minute. I'm sure you have many happy memories of her that sustain you now.
