Hey Girl, thats how she greeted me daily.I liked Audrey, She and I talked about the Bible, quite often. She always seemed troubled but content in her lot in life that was assigned to her. She didnt complain, her illness and troubles were just a matter of fact to her. i for one was shocked ans saddened to hear of this loss to you family, May you find comfort in knowing she is now with the father she loved, and is no longer ill or troubled, I will miss her.
